POLICY REGARDING EQUAL EMPLOYMENT OPPORTUNITY AND AFFIRMATIVE ACTION

Yellow Cab Utah and Ute Cab Company insist on promoting the concepts of Equal Employment Opportunities and Affirmative Action. From our Somalian owner down, we employ based on desire to work within our team environment.

All staff are recruited, hired, and promoted without regard to age, race, religion, creed, color, sex, sexual orientation, marital status, physical disability, citizenship status, political belief, and especially not life mistakes from past experiences.

We are committed to maintaining a work environment free of coercion, harassment, intimidation and retaliation at all employment locations within our operations system.

If you believe you have been discriminated against, please return to the homepage, download complete and return the discrimination form to info@yellowcabutah.com so we can investigate your claims and address the circumstances causing your discrimination.

Sincerely
